

1st Announcement
Scientific Conference
On occasion of

Vietnam Institute of Geosciences and Mineral Resources 55th Anniversary

On the occasion of Vietnam Institute of Geosciences and Mineral Resources 55th anniversary (1965 -2020), a scientific conference will be held in May 2020. The conference will aim to provide an excellent forum for scientists to present their research achievements and to exchange ideas related to a broad spectrum of geoscience themes: new research trends and technologies which contribute to sustainable socio-economic development in future.

1. Topics

The tentative conference program includes 04 thematic sessions which will feature discussions and technological exchanges on following themes, but not limited to:

- Topic 1: Research results in geology and mineral resources.
- Topic 2: Research results in natural hazard and geological park.
- Topic 3: Research results in technological innovation.
- Topic 4: Research results in international cooperation.

2. Form of presentation

- Oral presentations and posters.
- Selected full papers will be published in conference proceedings.

3. Publication

- Research papers (abstracts), technology brief and expertise profiles of participating organizations will be published as Conference Proceedings and Directory. The Directory shall be released to all participants at free of charge. Soft version of publication is also available online at website of Vietnam Institute of Geosciences and Mineral Resources.

- Selected full papers will be peer-reviewed and published in Việt Nam Journal of Geology (Series A in Vietnamese and Series B in English).

4. Important dates

- 15 November, 2019, First Announcement: call for abstracts and early registration.

- 20 December, 2019, Second Announcement: call for submission of presentations and papers; early registration; Deadline for abstracts.

- 20 February, 2020, Third Announcement: Deadline for full paper submission; Conference tentative program; issuance of invitation letters.

- 30 April, 2020, Final Announcement: revised and final conference program.

- Conference information will be available online in website of Vietnam Institute of Geosciences and Mineral Resources from 15 November, 2019 (<http://www.vigmr.vn/Hoinghikhoahoc2020/>).
